AT KINGSMILL

## H2 OMG New Stunning Private Pool Overlooking the James River

**It's all part of The Estate at Kingsmill (and you can rent it)**

**WILLIAMSBURG, Va. – February 20, 2019** – Water is paramount to the success of early America and, in most cases, a critical ingredient for fun and memorable vacations. That's why The Estate at Kingmill, the only resort on the James River in Williamsburg, Virginia, has unveiled a stunning private affinity pool directly on the bluff overlooking the fabled river. This is the land where Pocahontas once walked and where America was born.

The pool boasts 377 square feet of surface area, ranges in depth from 3'6" to 5', measures 17'9" x 2' by 44'7" and is kept at a constant 88 degrees (guests can adjust the temperature if so desired). The 7,000-square-foot private estate recently opened after a \$3 million renovation. It was formerly known as Pettus House – originally built as the private mansion for the Busch family of Budweiser Beer and Busch Gardens fame.

The renaissance of the estate features beautiful interiors transformed with distinctive furnishings, lighting, textiles and décor from RH, Restoration Hardware – the four-bedroom luxury rental is idea for vacationers, corporate retreats and milestone moments or special occasions. The rental includes amenities such as exclusive access to two luxury SUVs and two customized golf carts. A private chef is also included to prepare delicious gourmet meals, and an estate manager is also on hand to make arrangements for private jet skis, private spa services, personal shopping, laundry service, personalized music selections and menus for additional costs.

All guests at Kingsmill Resort can enjoy full access to world-class amenities and dining throughout the resort including two 18-hole championship golf courses, four on-site restaurants, fitness center and spa, indoor/outdoor pools and full service marina.

Reservations are now being accepted through 2020. Visit [www.Kingsmill.com/the-estate](http://www.Kingsmill.com/the-estate).
