**Kingsmill Resort
Junior Golf Camp**

It is our mission to provide a fun and enjoyable learning experience to all junior golfers. This will be obtained by covering all aspects of the swing and the game itself.

Our camps are designed to introduce the young golfer to the game, its fundamentals, etiquette and the basics of playing. Our curriculum is designed to develop your child's golfing ability by using skills they are familiar with from other sports and everyday activities. Coupling everyday skills with the knowledge and special attention from our teaching staff make for a fun and exciting experience. Each day of camp begins with an introduction to the day's activities, an instruction period, and time to practice what they have learned. At the end of each day, the instructional groups will be divided into intramural groups and fun competitive activities will be held so the kids can put what they have learned into action. Golf Camp begins at 8:00 am and ends at 12:00 pm daily. Campers will have lunch prior to the awards ceremony, which will begin at 12:15pm on the final day of the camp. Parents are encouraged to attend to enjoy the gallery of snapshots from the daily activities and training. Junior golf at Kingsmill is about fun and friendship in a great learning environment!
