Good News!!!! The Competition Committee has decided that since this is SOOOOO NEW to everyone, you will be allowed to change your designated tees ONCE any time prior to the pairing preparation for our Member/Member which is 8:00am on May 10.

This will allow those who are “on the fence” to get to play most of our events before a final decision. (This is not designed to let anyone go back and forth—so you will only be allowed to change once.)

The affect on Ringers will be: only rounds played on your final designated tees will count toward ringers.

Also, the Competition Committee decided that we are not qualified to determine "Hole Handicaps." However, we are pursuing professional assistance in this area. More info will be forthcoming.

If you have any questions, please don't hesitate to ask. We may not have all the answers but will try.
