

2021 RINGERS AND HOLE-IN-ONE

RINGERS

Members who wish to participate in the Ringers Competition must pay the fee each year. Ringer prizes are awarded in each flight for the best low gross and low net scores on each of the three courses. Alice Whitechurch, the Ringer Chairman, will award prizes at the December luncheon.

Each course is an independent competition. The objective for the golfer is to improve her score for each hole of the course on Wednesday play days plus during The Handicap, Couples and Club Championships. **The ball must be holed out for the score to count. If you pick up on any hole during an event (e.g.: Match Play, ABCD, Best Ball of Partners, etc.) place an X in front of the score for that hole so that Alice will not count that hole's score.**

HOLE-IN-ONE

Members who wish to participate in Hole-in- One (HIO) must pay the yearly fee of \$3. In order to be eligible for the HIO prize, the member must be registered for the entire year, which begins on April 1, 2021 and runs through March 31, 2022. **The HIO must be made on one of the three Kingsmill 18-hole courses during an 18-hole round.** After making a HIO, the member must give a copy of the completed, signed and attested scorecard to the Treasure and the Handicap Chairman. They will authorize the prize which will be awarded at the April membership meeting and luncheon. **Participants must register and pay the fee yearly.**
