Debbie Argy (issues brought to my attention & Joel said he would look into)

- Hole 2 on the Plantation course – tees have been moved back to original spot. Is this a mistake or will they remain?
- Hole 7 on River Course – large branches, overhanging Gold Tees, interfere with drives and need trimming
- Ladies Lounge – TV still needs to be hung on wall and we have requested an additional table and chairs that match. Additional coffee table and side chairs would be nice as well.
- Green Tees – request for an official tee box or mowing of the green tees to clearly identify them.
