It is our mission to provide a fun, enjoyable, and competitive learning environment to all junior golfers. This will be obtained through a more advanced teaching approach for all components of the game.

Our gold camps are designed to further improve the intermediate to advanced golfers technique, consistency, etiquette, and management of the game. Our curriculum is designed to advance your child's golfing abilities by using a more in-depth teaching approach through advanced drills, detailed instructional sessions, and competitive group contests, for all aspects of the game.

Golf Camp begins at 8:00 am and ends at 12:00 pm daily. Campers will have a lunch banquet, which will begin at 12:15pm on the final day of the camp. Parents are encouraged to attend and enjoy the gallery of snapshots from the daily activities and training. Junior golf at Kingsmill is about fun and friendship in a great learning environment!
